Dear Bob,

Organizational Results and pertinent members of the Materials Division and the Pavement Group discussed the use of the “Kodi Klip” and find no reason for the product not to be used on MoDOT construction projects. While MoDOT does not have a need for the product, a constructor may use it if so desired.

Organizational Results, the Materials Division, and the Pavement Group appreciate the interest for the submittal.

Sincerely,

Dave Amos  
Senior Transportation Performance Analyst
