Kodi Klip Corporation  
314 South Cumberland Street  
Lebanon, TN 37087

SUBJECT: Kodi Klip

Mr. Wright,

The reinforcing steel clip, "Kodi Klip", supplied by the Kodi Klip, Corporation for acceptance and placement on the Departments QPL will not be reviewed. The Oklahoma Department of Transportation does not currently see a need for a QPL for reinforcing steel fasteners. If a local contractor chooses to use the device he may do so provided that the steel bars are held to the satisfaction of the local Resident Engineer or his designated representative.

If you have any questions please feel free to call me at (405) 522-4999.

Sincerely,

Reynolds H. Toney, P.E.  
Materials Engineer
